A variety of scholarship opportunities are available and we have friendly, professional advisors on hand to help you with the admissions and enrollment process. Our curriculum supports our mission of meeting student, tribal, and societal needs by providing real-world training.

The college was established to serve Muscogee citizens and other tribal members utilizing the history, government, language, and culture of the Native American people. Education has always been a significant part of our history and continues as a priority for Muscogee people today. To that end, numerous former elected officials, the current Principal Chief David Hill, and National Council have supported CMN through legislation and funding.

As President, I look forward to meeting you as you pursue your educational goals. It is my privilege to offer the Student Handbook to you as your guide to success at CMN. If you have questions or want more information about CMN, please call us at (918) 549-2800 or visit our campus located at 2170 Raven Circle, just off University Boulevard, in Okmulgee, Oklahoma.

This is a very exciting time on campus as we develop new facilities and increase our student services. Our focus will always remain on serving every student. INTRODUCTION

HISTORY OF THE COLLEGE
Honoring the sacrifices of our ancestors.
The College of the Muscogee Nation is a tribal college created September 1, 2004, by the Muscogee Nation National Council and signed into law by the Principal Chief. The law provided legislation to charter the institution and established a Board of Regents. In 2009, Muscogee citizens voted by referendum to include CMN in the Constitution of the Muscogee Nation as Article XIII, thereby reinforcing stability for the college to maintain its development.

Support for higher education began in the Muscogee Nation in 1879 when Indian University was opened. In 1885, the institution was moved to its present location in Muskogee after the Creek Council granted 160 acres of land for expansion.

While continued support has always been expressed by tribal officials for higher education, the College of the Muscogee Nation is the first college for the Muscogee Nation. Prior to CMN offering its first classes in the fall trimester of 2004, the National Council passed a resolution expressing support for the Tribal College with the cooperation of the Oklahoma State University system. Upon receiving Candidacy for Accreditation in 2012, CMN separated from OSUIT, became a freestanding institution, and gained recognition as a Land Grant Tribal College. In November 2016, CMN was granted Initial Accreditation by the Higher Learning Commission Board of Trustees.

COLLEGE CONTEXT

The purpose of the Student Conduct Meeting is to enable the complainant and respondent to meet (together or individually) with the Dean of Student Affairs to explain the circumstances surrounding the event. The student conduct meeting may be used to determine if a formal hearing is needed or to discuss an appropriate resolution. The student conduct meeting shall include the respondent and the Dean of Student Affairs and others as the Dean may deem appropriate.

3. A formal Student Conduct Hearing is required in all actions that may result in serious sanctions against the accused student including suspension and expulsion. The SCHC shall include the Dean of Student Affairs as the committee chair and three faculty or staff members as committee members. **Student Conduct Hearing (Formal Hearing Process)**

Hearing procedures are provided for allegations against an individual where suspension or expulsion from CMN is possible, if the individual is found responsible.

Complainant and respondent have the right to be accompanied by an advisor, who may advise and support the student. The advisor is limited to advising the student and may not present the case, or make statements during
the proceedings. Complainant and respondent should provide CMN with the name and contact information for their advisor as soon as practical but at least three working days prior to the hearing.

**Student Rights in the Student Conduct Hearing Process**

CMN views the conduct process primarily as an educational experience that can promote growth in personal understanding of one’s role as a member of an educational community and one’s rights, responsibilities, and privileges therein. However, sanctions such as suspension or expulsion from the college may be necessary to uphold community standards and to protect the campus community.

During the student conduct hearing process, both the respondent and the complainant have rights to:

1. A written notice of the alleged violation(s);
2. An explanation of the student conduct process upon request;
3. Have no violation assumed;
4. A timely hearing;
5. Be accompanied by an advisor during the conduct process. The advisor is limited to advising the student and may not present information, question relevant parties or make statement during the proceedings;
6. Have access to the information and documents to be presented at the hearing in advance;
7. Be present during the entire proceeding, except during committee deliberation;
8. Question any party or witness present, either directly or indirectly, at the discretion of the hearing committee chair;
9. Present material witnesses (those with firsthand knowledge of the incident). The respondent and complainant are responsible for contacting and arranging for the attendance of their own witnesses in all cases;
10. Receive a written notification of the outcome of the conduct process; the complainant can only receive written notification of the outcome of the conduct process when permitted by federal law; and
11. Identification of an avenue for appeal, if applicable.

Possible sanctions may include but are not limited to verbal or written reprimand, restrictions, community service, referral to Health and Wellness office, educational class or program, restitution, graduation hold, cancellation of enrollment, conduct probation, no contact order, suspension and/or expulsion, removal from student housing, among other sanctions.

Failure to adhere to the imposed sanctions will result in either a hold being placed on the student’s enrollment privileges or graduation, additional disciplinary action, suspension, or expulsion.

Decisions reached in the student conduct hearing may be appealed as follows:

a. An appeal of the SCHC’s decision will go before the President.

b. Appeal of the decision of the SCHC will be conducted by the President. The decision of the President will be final.

**Pre-Hearing Procedures**

The Dean of Student Affairs will prepare and send a written notice to the respondent and complainant at least seven working days before the hearing. The notice will be delivered in person, sent electronically to the
student’s institutional email address or mailed to the student’s last known address of record as filed in the Registrar’s Office and will include:

a. The date, time, place and nature of the hearing;
b. Reference to the section(s) of the Student Code of Conduct involved;
c. A brief explanation of the alleged violation(s), including the approximate date and place where the alleged violation(s) occurred;
d. Names of witnesses, if known;
e. The right to be accompanied by an advisor and the advisor’s role in the hearing;
f. Names of the individuals who will comprise the SCHC for the hearing.

The Dean of Student Affairs will be available to meet with the complainant and the respondent, separately, to discuss and explain the hearing procedure and answer questions.

Three Working Days in Advance of the Hearing

a. The respondent and the complainant will provide to the Dean of Students copies of documents to be presented at the hearing and the names of witnesses who will be called to testify.
b. Each student must notify their witnesses of the date, time and location of the hearing.
c. The respondent and the complainant will have access to copies of documents to be presented at the hearing by prior appointment. Materials will be sent via email two working days in advance of the hearing.

Student Conduct Hearing Procedures

The hearing provides a forum where all the information and documents can be presented, where questions can be asked of all parties, and where the SCHC can deliberate and make a decision using a “more likely than not” standard that a violation of the Student Code of Conduct did, or did not, occur. Formal rules of process, procedure, and technical rules of evidence, such as those applied in criminal or civil court, are not used in student conduct proceedings. For example, hearsay evidence may be considered and will be weighed accordingly. Deviations from prescribed procedures will not necessarily invalidate a decision or proceeding unless significant prejudice to the student or CMN may result.

To protect the privacy of all parties and in accordance with FERPA (Family Educational Rights and Privacy Act), hearings will be closed.

The respondent and complainant can present witnesses who may be questioned by the SCHC. Questioning by the complainant or the respondent is permitted so long as it is not threatening or harassing.

In the case of sexual harassment or sexual misconduct, the complaint will be referred to the Title IX Compliance Officer for review, investigation and processing consistent with CMN’s Title IX policies and procedures.

The hearing (excluding the deliberations) will be audio recorded. The recordings are the property of CMN. Others will not be allowed to make a recording of any type. CMN is not responsible for equipment malfunctions. Requests to review audio recordings may be made to the SCHC’s chair.
If the respondent elects not to appear for the hearing, the hearing will be held in their absence. Failure to appear will be noted and without prejudice. Findings will be based on information presented at the hearing.

Material witnesses will be present during the introductory comments of the hearing, including the honesty statement, at which point they will be excused until time to give their testimony. Witnesses will be excused upon completion of testimony and questioning, but they may be asked to remain available for recall. The complainant and respondent may remain throughout the hearing.

At the conclusion of the hearing, all parties will be dismissed except for the SCHC, who will deliberate and reach a decision.

A student’s past conduct record may be subject to an education-related discussion at the hearing. Past conduct history does not impact the finding of responsibility but could be used as information in determining appropriate sanctions.

The SCHC may accommodate concerns for the personal safety, well-being or fears of confronting the complainant, respondent, or other witnesses. Procedures or the hearing environment may be modified as determined by the Dean of Student Affairs to be appropriate.

Hearing Deliberations and Decision
The SCHC will deliberate and determine whether it is more likely than not that a violation(s) of the Student Code of Conduct did or did not occur as alleged.

a. The SCHC may find that the information presented was not sufficient to establish that a violation of the Student Code of Conduct was committed and dismiss the case.

b. The SCHC may find that the information presented was sufficient to affirm the alleged violations and impose a sanction appropriate for violation(s).

The decision of the SCHC will be communicated in writing to the respondent and, to the extent appropriate, the complainant within two working days. The notification letter will include findings of fact, sanctions(s) imposed (if any), and the rationale for the decision. The notification letter will be delivered in person, sent electronically to the institutional email address, or sent by certified mail, return receipt requested to the student’s last known address of record as filed with the Registrar’s Office. The notification letter may also be picked up in the Dean of Student’s office within two days of the hearing.

Student Conduct Committee Designation
Hearing procedures are provided for allegations against a student where suspension or expulsion from CMN is possible and for student discrimination and sexual misconduct grievances.

The Student Conduct Hearing Committee shall be selected from a group comprised of a minimum of 10 faculty or staff members appointed annually by the President. A hearing committee (SCHC) shall consist of three disinterested members selected from the group designated by the President. The Dean of Students shall serve as the Chair of the committee and the chair’s role shall be to facilitate dialogue between the committee and students involved, ensure appropriate participation from advisors, and answer procedural questions as needed.

Appeal of SCHC Decision - President
Discipline decisions made by the SCHC may be appealed to the President. An appeal is not a new hearing, but a review of the record of the original hearing. It serves as a procedural safeguard for the student. The burden of proof shifts from CMN to the student or group charged with the offense. The student or group must show that one or more of the listed grounds for appeal have merit.

1. Appeals for Code of Conduct hearings must be submitted in writing to the President within three (3) College of the Muscogee Nation working/school days of receiving the decision. Failure to file an appeal within the prescribed time constitutes a waiver of any right to an appeal.

2. The appeal must cite at least one of the following criteria as the reason for appeal and supporting argument(s):
   a. The original formal hearing was not conducted in conformity with prescribed procedures and substantial prejudice to the complainant or respondent resulted.
   b. New evidence which could have substantially affected the outcome of the hearing has been discovered since the hearing. The evidence must not have been available at the time of the original hearing. Failure to present information that was available is not grounds for an appeal.
   c. The sanction was too severe or not appropriate for the violation. This provision is intended to be utilized when a determined sanction is inherently inconsistent with CMN procedures or precedent. Simple dissatisfaction with a sanction is not grounds for overturning a sanction under this provision.

3. The President will review the record of the original hearing, including documentary evidence. It is the discretion of the President to convert any sanction imposed to a lesser sanction, to rescind any previous sanction. If there is new evidence which is believed to substantially affect the outcome, or evidence presented at the previous hearing(s) was “insufficient” to justify a decision against the student or group, or the President finds that a procedural error did occur, the President may determine that there is insufficient evidence to support an allegation or lessen the severity of the sanction(s).

4. The President will issue a final written decision and communicate that decision in writing to the appealing student within ten working days of receiving the appeal request. Such decision will also be transmitted to appropriate offices.

5. The decision of the President is final.

**Re-entry Review**
Students suspended from CMN for misconduct must fulfill all sanction requirements before they are eligible to re-enroll. The Dean of Student Affairs will review the student’s completion of sanctions to determine the student’s eligibility for re-enrollment.

**CMN Officers and Designees**
The designation of a CMN official responsible for prescribed actions shall automatically include the official’s designee...
in instances where an official is unable, unavailable or has concluded that the official may have a conflict of interest that causes the official to recuse from involvement in the matter. The official’s designee shall have the same authority as the official in matters involving this policy.

Students sanctioned by the Student Conduct Disciplinary Actions process or Housing Judicial Committee are not in ‘good standing’ with the Office of Student Affairs. Students not in good standing are required to meet the criteria to return to good standing which includes completing all assigned sanctions and may include maintaining this status until one full trimester has passed. Those not in good standing with the Office of Student Affairs are ineligible to hold officer positions within campus student organizations or to participate in off campus CMN student activities.

ACADEMIC MISCONDUCT
CMN students are expected to be honest in their endeavor to attain a college education. Academic misconduct is not allowed and includes, but is not limited to, dishonest conduct during completion of assignments, examinations and tests, plagiarism, disruption of instructional activities, and altering of any student academic records.

1. Dishonest conduct during examinations or tests includes:
   - Knowingly using, buying, selling, transporting, or soliciting the contents of an un-administered test.
   - Copying from another student’s test.
   - Possessing unauthorized test material during a test.
   - Getting help from another student during a test without permission from the instructor.

2. Plagiarism is the practice of using the ideas or writings of another as one’s own. Unauthorized alteration or use of any college documents is prohibited. Alleged student behavior regarding academic misconduct will use the policies and procedures provided.

ACADEMIC INTEGRITY POLICY AND PROCEDURES
Academic misconduct includes cheating, plagiarism, communicating with other students during an exam, or other behavior that relates to the student’s academic integrity at the college.

If there is no doubt that an act of academic dishonesty has occurred, the instructor has the authority to administer any of the following:

1. Not accept the assignment or test in question and record a “zero” for the assignment or test, require the student to redo the assignment or test, or require the student to complete a substitute assignment or test.

2. Recommendation to the Academic Dean that the student receives a failing grade (F) or administrative withdrawal (AW) for the course. A written recommendation is required which includes a description of the specific occurrence and supportive documents if applicable.

3. In cases of extreme or repeated incidents of academic dishonesty, submit a written recommendation to the Academic Dean advising that the student be suspended from CMN. The written recommendation is to include a description of the specific occurrences including supportive documents if applicable. When recommendations as described in parts 2 and 3 are made, the
student will be notified by the instructor as to what action will be taken. If the student believes an error has been made, the student may appeal the action.

**APPEAL OF ACADEMIC AFFAIRS SANCTION**
A written appeal must be filed by the student within ten working days of notification and submitted to the Dean of Academic Affairs. The appeal is heard by a committee consisting of the Dean of Academic Affairs, two faculty members, and a student member. The student and instructor will be present and after the meeting they will be informed in writing of the action taken.

**DISCIPLINARY RECORDS**
All disciplinary records are confidential and must not be disclosed in whole or in part unless required under law, including but not limited to the Family Education Rights and Privacy Act (FERPA), the U.S. Patriot Act, and lawful court order. Except in cases involving suspension or expulsion, a student’s disciplinary record shall be separate from a student’s academic records.

All disciplinary records shall be retained by the Dean of Student Affairs. Records in which a student received a sanction of less than suspension or expulsion will be kept for a reasonable period of time, depending on the student’s status and then destroyed.

Suspension and expulsion actions may be reflected on a student’s official academic transcript by the words “May not register for non-academic reason,” and the registrar may remove the notation when the penalty expires, all at the discretion of the Dean of Student Affairs. Sanctions of suspension or expulsion are permanent records. No student will be permitted to graduate or officially withdraw from CMN while disciplinary action is pending.

**VIOLATIONS OF LAW**
CMN reserves the right to address any alleged violations of tribal, federal, state, or local law occurring on or off campus. CMN maintains a cooperative working relationship with Muscogee (Creek) Nation Lighthorse Police. Law enforcement officers will be called in for violations of law as needed or at the discretion of CMN administration. Information is exchanged with law enforcement agencies regarding crime reports to maintain cooperative efforts in preventing campus crime and resolving crime-related problems.

**ALCOHOL/DRAIN USE**
Students may not distribute, transport, serve, possess, or consume alcoholic beverages anywhere on CMN property. Intoxication is a violation of CMN policy. The possession or use of illegal or harmful drugs, hallucinogens or harmful narcotics is also prohibited.

There are dangerous health risks associated with the use of illicit drugs and the abuse of alcohol. Health hazards include profound alterations in sensation, mood, and consciousness that may involve all the physical senses, as well as experiences that depart from reality. Also, actions by students under the influence may put the safety of others around them at risk.

**SMOKE FREE CAMPUS**
The CMN campus is a Tobacco-Free campus. Cessation assistance is available through the MCN Tobacco Prevention Program.

**ANIMALS/PETS**
Animals and pets are not permitted in any of the campus buildings, except when necessary for disabled/handicapped assistance (see policy in Student Housing
Handbook) or with prior approval from the Dean of Student Affairs.

**COMPUTER USE**
Computers are available for student use in the library. Additionally, a limited number of laptop computers are available for checkout from the CMN Library. All students will read and sign the College of the Muscogee Nation Computer Policy Form before access is enabled. A copy of the signed policy is to be kept in the student master file located in the Office of Admissions. Students who violate these policies are subject to removal of their network ID, password, and email address from the servers without notice and/or be referred to legal authorities if deemed necessary.

Passwords and password policies may vary by each term. These passwords should be protected. Students are not allowed to share passwords or login sessions with anyone, including family or friends.

All student accounts for students not registered for current term will be deleted after last day of add/drop.

**DECEPTION**
Dishonest behavior is prohibited. This includes, but is not limited to; falsely accusing an individual of inappropriate behavior, possessing, using, or furnishing false identification and forgery, financial aid fraud or abuse, and alteration or misuse of any CMN documents, records, or identification.

**HARASSMENT**
Harassment includes verbal or physical conduct that creates an intimidating, hostile, or offensive environment. Individuals who believe that harassment or discrimination has occurred should contact the Dean of Student Affairs to file a grievance. An investigation will be conducted and CMN will take appropriate corrective action.

**Skateboarding, Electronic Skateboards, Roller-Blades, and Remote Control Vehicles**
Electronic skateboards, including self-balancing boards/scooters, and any other similar equipment are prohibited from being used, stored, and/or charged in any Student-Resident housing due to a potential fire hazard.

The use of skateboards, electronic skateboards, roller blades, and remote control vehicles are prohibited in housing units, entry walkways, breezeways, and sidewalks. Skateboards, bicycles, and roller blades are prohibited from being used recreationally on CMN campus. Due to risk of injury and destruction of property, jumping, acrobatic tricks, or jumping curbs, on CMN streets, parking lots, breezeways, or sidewalks is prohibited. Skateboards, bicycles, and roller blades are viewed as forms of transportation to be used on CMN streets only from building to building. It is strongly suggested for students to use helmets and safety gear to guard against injury.

**SOLICITATION**
Students and organizations may not advertise, sell, conduct a business, or raise funds on campus without first notifying and receiving written permission from the Dean of Student Affairs.
STALKING

If no announcement is made, students should remain for fifteen minutes after the class is scheduled to begin unless a longer delay has been specifically announced. Closures resulting from severe weather conditions, natural disasters, or mechanical failures will be announced by the President or appropriate designee using the Raven Alert system via text message, email notification, and voice message. The student is responsible to contact the instructor to determine what the make-up work is or to arrange for taking a make-up test. The course instructor will determine make-up work.

EMERGENCY
In order to improve communication and to better serve students and staff, CMN utilizes Raven Alerts Notification System. CMN Raven Alerts are notifications sent via text message, voice message, and e-mail. Only notifications regarding class cancellations and emergency notifications will be sent through this system.

SATISFACTORY ACADEMIC PROGRESS (SAP) STANDARDS
To be eligible for Title IV, HEA aid, a student must maintain satisfactory academic progress (SAP). Under the administrative capability requirements, College of the Muscogee Nation must determine the academic standards that students must meet, and a method and schedule of measuring the achievement of these standards. The financial aid satisfactory academic progress standards must be the same as or stricter than the standards the school uses for students who are not receiving Title IV aid. Please refer to CMN’s Consumer Information Guide for the complete Satisfactory Academic Progress policy located on our website at http://www.cmn.edu.

RETURN OF TITLE IV FUNDS (R2T4)
According to federal regulations, a return of Title IV funds calculation must be completed for any recipient of Title IV grant or loan assistance who completely withdraws (officially, un-officially, administratively) or fails all course work from a period of enrollment or stops attending class before completing 60% of the trimester. This calculation determines the amount of financial assistance the student earned and is based on the date the student began the withdraw process, officially notified the institution of the intent to withdraw, was administratively withdrawn, or unofficially ceased attendance.

Please refer to CMN’s Consumer Information Guide for the complete Return of Title IV Funds policy located on our website at http://www.cmn.edu.

NOTICE OF FINANCIAL AID PENALTIES FOR DRUG VIOLATIONS
A federal or state drug conviction (but not a local or municipal conviction) can disqualify a student for FSA funds. The student self-certifies in applying for aid that he/she is eligible. A school may verify this if there is conflicting information. Please view the Notice of Financial Aid Penalties for Drug Violations in the CMN Consumer Information Guide located on our website at http://www.cmn.edu.

REGISTRATION
Students register for courses during the registration period prior to the beginning of each trimester. For reference, the CMN Catalog contains degree plans for all majors/certificates. New and transfer students (with less than 30 credit hours) will meet with Student Success Center staff. After 30 credit hours, students must meet with his/her degree program advisor. For a complete listing of the Registration policy,
see the CMN Catalog located on our website at http://www.cmn.edu.

Eligibility for Registration
Students must meet certain eligibility requirements before they may proceed with registration. In order for a student to register, he or she must have a zero balance on his/her Bursar's Account. If a student has an outstanding obligation a “hold” will be placed on the student’s educational records. The hold will prohibit the student from registering in the future and the student will not be able to receive a grade report or transcript until the obligation is finalized.

PREREQUISITES
Courses designated as prerequisites in the CMN Catalog or in the CMN degree plans will be considered satisfactorily completed with the attainment of a grade of “D” or better. Courses listing a need for prerequisites cannot be taken unless the student has satisfactorily completed all applicable prerequisites.

PLAN OF STUDY
All students are expected to meet with an advisor prior to enrollment each trimester to plan their academic schedule. When the student has declared a major, they will be assigned an advisor to develop a plan of study. The plan of study must be approved by a CMN Representative. The approved plan of study will be maintained in the Student Information System stored in the student's academic file in the CMN Registration Office. Plans of study are valid as long as the student is continuously enrolled. Students are responsible for checking prerequisites for courses for which they plan to enroll and for following the plan of study in completing courses needed for the degree. Once the student has completed 45 credit hours, he or she may apply for a final degree check and a graduation request with the Registrar. In all cases, the final degree audit must be submitted to the Registrar prior to the completion of the trimester.

ACADEMIC ADVISEMENT
Academic advisors assist students in completing a Plan of Study, selecting correct courses, reviewing course requirements in the chosen major, and addressing academic problems that may occur. The academic advisor will also assist the student with defining career goals, encouraging awareness of cultural and social opportunities available to them, and assisting with critical-thinking skills. Advisors will assist students in choosing a degree program.
