

FINANCIAL AID ACADEMIC PLAN

Federal regulations require that a student be making satisfactory academic progress (SAP) toward a degree/certificate to be eligible for financial aid. The Financial Aid Suspension Appeals committee has determined that you cannot make satisfactory academic progress within one trimester or you have asked for permission to exceed your maximum hours in order to obtain your degree/certificate.

To continue to be eligible for financial aid at CMN, you must agree to and follow this academic plan which has been developed by you and your advisor. Failure to do so will make you ineligible for financial aid at CMN.
