

# GAMING

**Associate of Applied Science Degree  
(66 Hours)**

The Gaming degree focuses on casino operations and a variety of specializations relating to marketing, management, hospitality, and customer relations. Students will gain knowledge relating to management, supervision, or customer service in tribal gaming. Students will develop a well-rounded educational experience that conforms to the highly specialized needs of tribal casinos and acquire knowledge applicable to Native American gaming law, Native American gaming regulations, and tribal casino operations.

## Specializations:

### Casino Operations

- Casino Operations Management
- Electronic Games Management
- Techniques of Casino Dealing
- Basic Games Operations
- Human Resource Management
- Financial Accounting

### Gaming Marketing

- Player Trends and Tracking
- Customer Service Strategies
- Hospitality Marketing
- Gaming Advertising
- Public Relations
- Introduction to Hospitality Management

Program Coordinator - Shanh-Dea McIntosh

**COLLEGE OF THE MUSCOGEE NATION**

As an institute of higher education, the College of the Muscogee Nation is dedicated to helping students achieve their academic and career goals by providing a quality learning environment sensitive to our rich tribal culture, language, and history. Students, community, and Muscogee people are the true foundation for every class taught, every degree offered, and every service provided at the college. Together, we build and maintain a tribal college that embraces excellence.

## Career Opportunities with a Gaming Degree:

- Casino Gaming Supervisor
- Casino Operations
- Compliance or Regulatory Agent
- Casino Dealer
- Surveillance
- Slot Technician

Keep in mind that specific job requirements may vary, and additional certifications or experience may be beneficial in some cases. It's advisable to explore internships or gain practical experience to enhance employability in these fields.
