A Degree Check will confirm the courses a student has completed toward graduation. It will also show any outstanding course(s) and/or degree requirements yet to be completed. Please note: each student must meet any outstanding financial obligation(s) with CMN. You may confirm any financial balance or obligations unsatisfied with the Bursar's Office.

Degree Check Information

1. Written confirmation of Degree Check verification indicating degree requirements pending, outstanding, or completed will be mailed to the mailing address recorded above.
2. Once your Degree Check is verified and your coursework is complete (or if you are in your final semester), you may submit a REQUEST TO GRADUATE to the Registrar's Office.
3. **It is the student's responsibility** to submit a Degree Check and subsequent Request to Graduate before the start of the last semester of coursework in order to graduate from the College of the Muscogee Nation. Failure to submit a Request to Graduate on time may prevent participation in the commencement exercises.
