**Associate of Science Degree  
(66 Hours)**

## Discover Your Path with General Studies at the College of the Muscogee Nation

The Associate of Science in General Studies program at the College of the Muscogee Nation (CMN) offers a versatile starting point for your academic journey. Designed to provide a broad educational foundation, this program emphasizes core areas essential for success in any field and in life.

The General Studies program provides a comprehensive overview of fundamental subjects, including mathematics, sciences, writing, and communication. It serves as the core curriculum that underpins all degree programs at CMN, ensuring students develop essential academic skills and a well-rounded knowledge base.

### Program Highlights:

- Core Skill Development: Strengthen your abilities in key academic areas.
- Broad Knowledge Base: Gain exposure to a variety of disciplines.
- Flexible Options: The program provides a foundation that can lead to diverse educational and career paths.

Upon completion of the General Studies program, students will be prepared to be lifelong learners with a deeper understanding and appreciation of the world around them, including cultural, economic, political, tribal, and social contexts. The program aims to foster the development of individual talents and provide a fulfilling educational experience, equipping graduates with the skills and knowledge to succeed in their further studies and contribute positively to their communities.

**COLLEGE OF THE MUSCOGEE NATION**

As an institute of higher education, the College of the Muscogee Nation is dedicated to helping students achieve their academic and career goals by providing a quality learning environment sensitive to our rich tribal culture, language, and history. Students, community, and Muscogee (Creek) people are the true foundation for every class taught, every degree offered, and every service provided at the college. Together, we build and maintain a tribal college that embraces excellence.

## Concurrent Enrollment

The College of the Muscogee Nation offers a Concurrent Enrollment Program that allows eligible high school students to earn both high school and college credit at the same time. This unique opportunity gives students early access to college-level coursework, helping them get a head start on their general education requirements.

Concurrent students benefit from full access to campus resources and support services, making the transition to college smoother and more affordable. By participating, students can reduce the time and cost needed to complete a college degree after high school graduation.
