**LEGACY GIVING PROGRAM DONATION FORM**

The College of the Muscogee Nation (CMN) is designated as the institution of higher education for the Muscogee (Creek) Nation emphasizing native culture, values, language, and self-determination. Each year in support of our mission, CMN continues to advance our goals of expanding student services/scholarships, capital improvements, faculty development, and Mvskoke language revitalization.

Our primary focus is to support Muscogee (Creek) and other members of federally recognized tribes as students in their higher education endeavor with appropriate support services and scholarships. The college will provide a positive learning environment with contributions to our capital improvement campaign to develop the CMN campus as a monument to our ancestors. We strive to maintain exemplary academic programs and instructional quality by encouraging faculty development and retaining qualified tribal citizens on staff. Through visionary leadership, CMN is developing groundbreaking methods and leading the nation with our efforts to revitalize the Mvskoke language. The CMN Legacy Giving Program was established to facilitate our donation requests to meet these goals. Mvto (Thank you).
